Emergency circumstances may arise where an employee is unable to meet the above request period requirements. Under such circumstances, an employee may nonetheless be allowed to use accrued compensatory time upon approval of the employee's supervisor.

The Employer shall keep a record of all overtime. Copies of such record shall be given to the Union upon request.

## ARTICLE VI VACATIONS

### Section 6.1. Vacation Leave:

A. All bargaining unit employees except session employees, who have completed one year of service with the Employer, including service mentioned in paragraph E of this Section, shall be granted vacation leave with pay for periods as follows:

Anniversary of Employment	Days of Vacation	Maximum Accumulation
1 <sup>st</sup> thru 6 <sup>th</sup>	10 working days	20 working days
7 <sup>th</sup> thru 14 <sup>th</sup>	15 working days	30 working days
15 <sup>th</sup> thru -	20 working days	40 working days

B. Computation of vacation leave shall begin at the initial date of employment at 3.08 hours per pay period, with the rate of accrual increasing thereafter on the (6<sup>th</sup>) anniversary to 4.62 hours per pay period and on the fourteenth (14<sup>th</sup>) anniversary to 6.15 hours per pay period. Employees must be in a pay status for a minimum of five (5) days in a bi-weekly pay period to accrue time in that period.

C. Employees may use only such vacation leave as has been earned and accrued.

D. Any employee who has rendered continuous service to the City of Chicago, the Chicago Park District, the Forest Preserve District, the Metropolitan Sanitary District of Greater Chicago and/or the Chicago Board of Education shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as employees of the County for vacation credit only. All discharges and resignations not followed by reinstatement within one (1) year shall interrupt continuous service, and shall result in the loss of all prior service credit. Credit for such prior service shall be established by filing, in the Office of the Comptroller of Cook County, a certificate of such prior service from such former place or places of employment.

E. In the event that an employee has not taken vacation leave as provided by reason of separation from service, the employee, or in the event of death, the employee's spouse or

- F. In computing years of service for vacation leave, employees shall be credited with regular working time plus the time of duty disability.
- G. Any employee who is a reemployed veteran shall be entitled to be credited with working time for each of the years absent due to Military service. The veteran's years of service for purposes of accrual of vacation time in the year of return to employment, shall be the same as if employment had continued without interruption by Military Service.

- H. Holidays recognized by the Employer are not to be counted as a part of a vacation.

#### **Section 6.2 Vacation Preference and Scheduling:**

- A. Subject to operational needs, vacations will be granted to meet the requests of employees. Vacation periods shall be allotted among employees on a first requested, first granted basis. Where two or more employees in the same department request vacation on the same day for the same calendar period and all the employees cannot be released at the same time, then the vacation requests shall be granted in order of the employees' seniority.

- B. Vacation time, once scheduled between the Employer and the employee, shall not be revoked by the Employer unless operational needs reasonably require such revocation. Additionally, to maintain continuity of services, it may be necessary to limit or prohibit the taking of vacation during a particular period.

- C. Requests for vacation time shall be made in the following manner:

Amount of Vacation Leave	Request Period (work days)
more than 1 but less than 3 days	3 days
3 to 5 days	7 days
more than 5 days	14 days

All requests must be made on the appropriate department form and submitted to the supervisor for consideration. Emergency circumstances may arise where an employee is unable to meet the above request time requirements. Under such circumstances, an employee may nonetheless be allowed to use accrued vacation time if in the Employer's sole discretion operational needs allow such use.

## Section 7.6 Insurance Opt-Out:

Effective the first full pay period after 12/1 of each fiscal year, the Employer agrees to pay \$800/year to eligible employees who opt-out of the Employer's health benefit program. Prior to opting-out of any such program, the employee must demonstrate to the Employer's satisfaction that he/she has alternative health coverage. Any employee electing to opt-out of the Employer's health benefit program may request that in lieu of a bi-weekly payment to the employee, this amount be credited to a medical flexible spending account. Eligible employees who lose their alternative health coverage may enroll in or be reinstated to the Employer's health care benefit program.

Section 77 Sint-Jozef

- A. All monthly salaried employees, other than seasonal employees, shall be granted sick leave with pay at the rate of 0.4616 days per pay period. Accrued sick leave will carry over if employees change offices or Departments within the County as long as there is no break in service longer than thirty (30) days.
- B. Sick leave may be accumulated to equal, but at no time to exceed, one hundred seventy-five (175) working days at the rate of twelve (12) working days per year. Records of sick leave credit and use shall be maintained by each office, department or institution. Severance of employment terminates all rights for the compensation hereunder. Amount of leave accumulated at the time when any sick leave begins shall stand in full, and additional leave shall continue to accrue while an employ is using that already accumulated.

C. Sick leave may be used for illness, disability incidental to pregnancy or for non-job related injury to the employee; appointments with physicians, dentists or other recognized practitioners; or for serious illness, disability or injury in the immediate family or member of household of the employee. After three (3) consecutive work days of absence due to illness, employees shall submit to their department head doctor's certificate as proof of illness. Accordingly, sick leave shall not be used as additional vacation leave.

**SCHEDULE I****BUREAU OF HUMAN RESOURCES**

D. An employee who has been off duty for three (3) consecutive days or more for any health reason may be required to undergo examination by the Employer's physician before returning to work.

For health related absence of less than three (3) consecutive days, a doctor's statement or proof of illness will not be required except in individual instances where the Employer has reason to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health related absence, examination by the Employer's physician may be required to make sure that the employee is physically fit to return to work.

E. If, in the opinion of the Employer, the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine his/her vacation, sick leave and personal days provided a doctor's excuse is submitted.

F. The employee may apply for disability under the rules and regulations established by the Retirement Board.

**Section 7.8 Disability Benefits:**

Employees incurring any occupational illness or injury will be covered by Workers' Compensation insurance benefits. Employees injured or sustaining occupational disease on duty, who are off work as result thereof shall be paid Total Temporary Disability Benefits pursuant to the Workers' Compensation Act. Duty Disability and ordinary disability benefits will also be paid to employees who are participants in the County Employee Pension Plan. Disability benefits will be reduced by any Workers' Compensation Benefit received. Duty disability benefits are paid to the employee by the Retirement Board when the employee is disabled while performing work duties. Benefits amount to seventy-five percent (75%) of the employee's salary at the time of injury, and begin the day after the date the salary stops. Ordinary disability occurs when a person becomes disabled due to any cause, other than injury on the job. An eligible employee who has applied for such disability compensation will be entitled to receive, on the thirty-first (31) day following disability, fifty percent (50%) of salary while disabled. Employees are eligible for three (3) months of disability pay for each full year of service. The first thirty (30) consecutive days of ordinary disability are compensated for only by the use of any accumulated sick pay and/or vacation pay credits unless the employee and the Employer otherwise agree. The employee will not be required to use sick time and/or vacation time for any day of duty or ordinary disability. All provisions of this Section are subject to change in conjunction with changes in State laws.

**Section 7.9 Pension Plan:**

Pension benefits for employees covered by this Agreement shall be mandated under Chapter 40 of the Illinois Compiled Statutes.

**Section 8.1. Bereavement Leave:**

A. Excused leave with pay will be granted, up to three (3) work days, to an employee for the funeral of a member of the employee's immediate family. Immediate family shall include mother, father, husband/wife, child (including step children and foster children), brothers, sisters, grandchildren/grandparents, and spouse's parents.

B. Leave requested to attend the funeral of someone other than a member of the employee's immediate family may be granted subject to operational needs, but time used shall be deducted from the accumulated vacation or personal leave of the employee making the request. An employee who falsifies the basis for taking bereavement leave may be subject to discipline.

**Section 8.2. Parental Leave:**

Employees shall be granted parental leaves of absence due to the birth or adoption of a child. The length of such leave shall not exceed six (6) months. Except when notice is impossible (i.e. adoption situations), employees will notify the Director of Interpreter Services of the length of their leave and their expected date of return at least ninety (90) days prior to his or her expected date of commencement of leave. If an employee desires to request an extension of said leave, the employee shall make said request to the Director of Interpreter Services no later than fourteen (14) days prior to their original return date unless an emergency arises which prevents the request for extension of leave within the stated time. An extension may be granted at the sole discretion of the Employer.

**Section 8.3. Jury Duty:**

Approval will be granted for leave with pay for employees summoned for any jury duty. However, any compensation, less the travel allowance, must be turned over to the payroll office.

**Section 8.4. Personal Days:**

All employees, except session employees, shall be permitted four (4) days off with pay each fiscal year. Employees shall accrue personal days at the rate of 0.1539 days per pay period. Employees may be permitted these four (4) days off with pay for personal leaves for such occurrences as observance of a religious holiday or for other personal reasons. Such personal days shall not be used in increments of less than one-half ( $\frac{1}{2}$ ) day at a time, except as described hereinafter. If the health of an employee warrants prolonged absence from duty,

the employee will be permitted to combine personal days, sick leave and vacation leave. Employees will be allowed to carry over Personal Day Leave not to exceed 1,499 days per County policy.

For the use of 1 personal day, the employee must complete and submit the designated form for approval of personal day use to their supervisor no less than 1 working day prior to use unless an emergency situation arises which prevents such request. For the use of more than 1 personal day or the combination of personal time with vacation time, the request period will correspond to the amount of total leave requested as found in Article V, Section 2 (Vacation Preference and Scheduling). Severance of employment shall terminate all rights to accrued personal days.

Total of one (1) personal day accrued each year may be used in 1/4 increments throughout the year. Usage of this time is subject to supervisor approval.

## ARTICLE IX SENIORITY

### Section 9.1 Probationary Period:

After the date of this Agreement, the probationary period for a new full time employee, or a similarly situated employee hired after a break in continuous service, shall be six (6) months from the date of hire. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any lawful reason, and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of most recent hire.

### Section 9.2 Definition of Seniority:

For full time employees, seniority is the employee's length of most recent continuous employment since the employee's last date of hire (excluding all per diem/session periods), less any time off for a period exceeding 30 days.

### Section 9.3 Reduction in Work Force, Layoff and Recall:

In the event the employer determines that it is necessary to decrease the number of full time interpreters, the employees to be laid off shall be determined on the basis of inverse order of seniority, provided that the remaining employees possess the necessary skills to perform the remaining work. Employees shall be recalled in the order of seniority.

information.

## CANON 6: RESTRICTION OF PUBLIC COMMENT

Interpreters shall not publicly discuss, report or offer an opinion concerning a matter in which they are or have been engaged, even when that information is not privileged or required by law to be confidential.

## CANON 7: SCOPE OF PRACTICE

Interpreters shall limit themselves to interpreting or translating, and shall not give legal advice, express personal opinions to individuals for whom they are interpreting, or engage in any other activities which may be construed to constitute a service other than interpreting or translating while serving as an interpreter.

## CANON 8: ASSESSING AND REPORTING IMPEDIMENTS TO PERFORMANCE

Interpreters shall assess at all times their ability to deliver their services. When interpreters have any reservation about their ability to satisfy an assignment competently, they shall immediately convey that reservation to the appropriate judicial authority.

## CANON 9: DUTY TO REPORT ETHICAL VIOLATIONS

Interpreters shall report to the proper judicial authority any effort to impede their compliance with any law, any provision of this code, or any other official policy governing court interpreting and translation.

## CANON 10: PROFESSIONAL DEVELOPMENT

Note: The ten canons which create the Code of Professional Responsibility are included in the Collective Bargaining Agreement to provide a guideline for interpreters regarding expected behavior and conduct. Supplemental commentary and interpretation for each canon can be found in the Employer's policy/orientation manual.

**CODE OF PROFESSIONAL RESPONSIBILITY  
FOR INTERPRETERS IN THE STATE OF ILLINOIS,  
CIRCUIT COURT OF COOK COUNTY**

**PREAMBLE**

Many persons who come before the courts are partially or completely excluded from full participation in the proceedings due to limited English proficiency or a speech or hearing impairment. It is essential that the resulting communication barrier be removed, as far as possible, so that these persons are placed in the same position as similarly situated persons for whom there is no such barrier. Interpreters help to assure that such persons may enjoy equal access to justice and that court proceedings and court support services function efficiently and effectively.

**CANON 1: ACCURACY AND COMPLETENESS**

Interpreters shall render a complete and accurate interpretation, sight translation, or written translation without altering, omitting, or adding anything to what is stated or written, and without explanation.

**CANON 2: REPRESENTATION OF CREDENTIALS**

Interpreters shall accurately represent their certifications, accreditations, training, and pertinent experience.

**CANON 3: IMPARTIALITY AND CONFLICTS OF INTEREST**

Interpreters shall remain impartial and neutral in proceedings where they serve, and must maintain the appearance of impartiality and neutrality, avoiding unnecessary contact with the parties.
